

January 19, 2026: On the Third and Fourth Deletions of My Work For Degree 45, Sign 47

I am drafting this as a record of the third and fourth deletions of my work on this particular degree and sign.

The original deletion was of the work that I produced in my Ibooks program itself. I noticed that the work was deleted so I re-completed the work.

After completing the work a second time in the Ibook program, I noticed the second deletion and posted a record that the work had twice been deleted.

“January 18, 2026: On the Interference With and Deletion of My Work Product

This is a factual recording to document that my work on Sign 47 has been deleted twice now as I continue to work my way through each of the signs.”

Now, I am recording the factual details of a third and fourth deletion of my work product that occurred after re-completing the work within the Ibook program and snapping a screenshot of the work along with degrees 41 - 53.

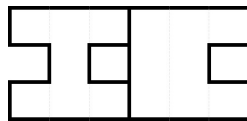

To be clear and specific: After re-producing the work product for Degree 45, Sign 47 for the third time and grabbing a screenshot of the work among the rest of my work on those signs, I added the work to the Sign Calendar and moved on with my life.

Now, today, one day later I look back on my work to find that the writing in the Ibook program is gone and the screen shot that I captured has been removed from my photo album.

In order to document proof of this ongoing harassment from the Donald Trump administration (45th and 47th President of the United States of America)(Meet - Trap), I am also including the work product itself and a screen grab of all of the other files that were not deleted by their minions of sabotage and destruction.

(I am also recording that several vehicles have driven past the front of my home at 11:45pm at night tonight to coincide with the drafting of this record.)

Degree 45 - Sign 47 Limiting Ones Own Expectations

FLOWING: WATER, SUCCEEDING IN THE TENDENCY TO DO WHAT IS GOOD

When I am water streaming, water pooling;

Then I am water, streaming below where it should be pooling.

Inside, I am precisely distinguishing heaven's leading impulse (recognizing that the orders of heaven are proper and not allowing my heart to be moved by affliction, depletion, clogging, or distress); and

Outside, I am extending enlightenment of earth's heavenly yield (revealing the way of being led by heaven and yielding heaven on earth and putting my duty into action, rather than being fearful and troubled at the obstacle, difficulty, or hindrance).
